Personal Information

Hello, I'm Hajjaz Bin Ibrahim, Android, iOS, JAVA & ASP.net Programmer, working in the field since 2014. Currently working as a National Consultant MIS/Senior Technical Expert at UNFPA, living in Dhaka.

Employment

JANUARY 2024 - PRESENT

National Consultant MIS/Senior Technical Expert

United Nations Population Fund (UNFPA)

DHIS2 is the world's leading Health Management Information System (HMIS), & it has also been deployed in a variety of other contexts. It is in use by Ministries of Health in 123 countries. 3.2 billion people (40% of the world's population) live in countries where DHIS2 is used. FP DHIS2 System and Electronic Management Information System (eMIS) is used by Bangladesh Government's Directorate General of Family Planning (DGFP) & Directorate General of Health Services (DGHS). My key responsibility includes, providing all the supports needed to ensure the systems availability all over Bangladesh's 64 Districts for DGFP.
